June 2009

Dear skater and/or parent:

As you know the skating year of the USFS and of our club ends each June 30 which means that we all have to register again for the year 2009 – 2010 starting July 1. Our Membership Application form for this purpose is enclosed and we encourage you to complete and return it to the undersigned with your check as soon as possible. The membership fee which includes the fee we pay to the USFS remains \$ 75.00 for the first family member and \$ 50.00 for any subsequent member(s). The associate fee for those whose home club is not the ESC is \$ 50.00. Please remember that you must be current with your USFS membership if you want to be able to test and/or participate in USFS sanctioned competitions. You will receive your new membership card directly from the USFS but please be patient because they are very busy at yearly registration time.

In another few weeks we will mail you the 2009 – 2010 schedule of our club skating sessions starting in September. Once again we want to bring your attention already now to the importance of you helping us to keep these sessions alive by subscribing to one or more of them. Without sufficient skaters we cannot pay for them which would mean giving back that ice time to the arena. We must by all means prevent this from happening because once lost we would not be able to recover that ice for the club. For those skaters not able to plan for the full season and purchase a session we will be introducing discount cards allowing for the purchase of 11 sessions for the price of 10. Aside from the obvious benefit, this should make it easier for the skater and the session monitor to pay for the session.

The Codey arena remains our club's long time home and we keep working with the arena staff to make it possible for our over 280 members to enjoy fully this beautiful facility. Our experienced Pros as always have made the past year full of exciting moments and it is wonderful to see how much their students have learned when they step on the ice to show it. Both the Synchroettes and the Theater on Ice are doing fabulously and their devoted coaches deserve our deepest thanks.

Our Annual Meeting has been scheduled for Tuesday, June 23 at 7 PM at the Codey Arena. Please join us if you can or return the enclosed proxy so that your vote can be counted.

We look forward to see you in the year ahead for more of the great skating and fun we had in the year just ending.

For the Board of Trustees of the ESC
