Application for Ice Session Chairpersons or Substitutes

Dear Essex Club member and/or Skating Parent:

The new skating season will be underway soon and we are currently recruiting ice session chairpersons. This is a relatively simple and enjoyable assignment offered at our club sessions at the South Mountain Arena and all who participate will be eligible for a generous reduction in their session fee. Positions for either a full year or to be a substitute are available for all our club sessions. (See the enclosed Ice Registration) Please indicate below the session you would prefer and send the lower portion of this letter to:

Patrick Badalato, 20 Woodstone Rd, Rockaway, NJ 07866
Tel.: 973-627-8801

We hope you will be interested in being part of this special circle of skating parents. If you choose to participate, you will be contacted with more information. Time and place for an orientation meeting will be posted at the rink. We are looking forward to the new skating season and to work together for the benefit of our Essex Club members.

Thank you,
The Essex Skating Club Board of Trustees
Ice Session Committee

Name: _____

Phone number: _____

Yes, I'm interested in being a Session Chairperson for the following session:

Session: _____

No, I cannot be a Session Chairperson but I'm interested in being a Substitute.
